

HALL M

With its grand main entrance featuring imposing Doric columns (referencing the original Spa Rooms of 1835) leading into a large reception area, this hall is ideally placed for easy public access being the closest of all Convention Centre halls to the town centre.

TOTAL AREA: 1560M² CAPACITY: 910 - 1100

Incorporating its own dedicated offices and reception area, Hall M is the perfect self-contained space for exhibitions or presentations. It is directly interlinked to both the Royal Hall and Hall C for those events needing a larger space and with a ceiling height of around 8m it's perfect for larger exhibits and ambitious space only stand designers.
