

ROYAL HALL

This stunning Edwardian theatre is the jewel in Harrogate's crown.

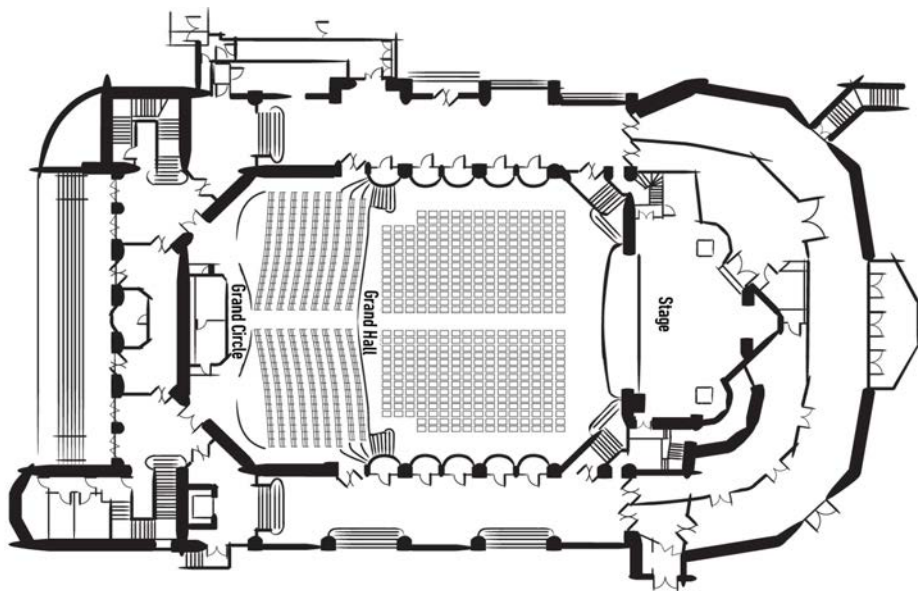

Built in 1903 by Frank Matcham as a multi-purpose entertainment space for the rich and famous visitors to Harrogate's spa, this magnificent building is the definitive location for an unforgettable event.

TOTAL AREA: 347M² CAPACITY: 250 - 978

The breathtaking interior design is derived from the great ballrooms of imperial Europe combined with British theatrical elements and with almost a thousand seats it's the perfect 'wow' venue. Royal Hall comes with its own technical package and up to three dedicated technical staff.

The Hall's richly detailed architecture, proscenium arch stage and excellent acoustics make it ideal for all manner of theatre, concerts, recitals, tea dances, dinners, conferences and seminars.
